

Any choice that involves others is not  
a personal choice, as it is, all choices  
are exactly that.

(why we need Total Empowerment)

True power over others is sharing those  
you have power over their power.

A study that I'd like to find  
would be that of the 100-150  
Japanese people who blessed on  
June in which afterwards the  
pollution was 20% less.
